

Chairman's Report May/June 2026.

Not a great deal to report since the annual meeting a fortnight ago.

The Community Day was, I think, a successful event with a very good turn-out of families – even Darth Vader made his presence felt!

Thanks to all the organisers of this event and to all those who helped to set up and also ensured the area was spick and span at the end of the day.

The last item on the agenda for Monday's full council concerns the future of our Library.

We still have not received the promised detailed offer from Shropshire Library Services regarding this. If this is still not extant at the time of the meeting, I will outline the verbal offers tabled by the head of the services and the assets manager on the two occasions Julie and myself have met with them. This is so we can discuss the likely options available to us although, being of a cynical nature, it wouldn't surprise me if a potential attempted movement of the goalposts is the reason for the delay of a written proposal.

See you Monday!

Rob Ruscoe.
