

Clerks Report April 26

Staffing matters – Martyn and Peter left on 31st March. We had a good send off at The Compasses! All paperwork for their exit has been completed.

Sarah (Deputy Clerk) has now been here 6 weeks and is doing very well. Ian has been extremely helpful in the changeover phase while we await the FS starting on May 11th.

The Year End Internal Audit has been returned with no major concerns; I will present that to you with the AGAR in June.

Community Day – there will be raffles, colouring competitions, tea/cake and all sorts going on! I have been liaising with our co-hosts BHJFC. It will run in the same way as last year. Any volunteers would be welcome! Fingers crossed for the weather!!

National Highways grant money of £10k has hit our bank, the roundabout will be completed before the school holidays.

We have had some interesting and important meetings this month – the Chairman will expand on these in his report.

Dates

Community Day – 4th May

Annual Council – 18th May

Planning Committee and Full Council – 1st June

My annual leave 8/6 to 17/6 inc.

Julie
