Clerks report August 2026

August was a busy month with the library survey and with new staff induction. We also carried out appraisals for all staff with the exception of the Deputy Clerk who will have her 6 month review in September.

The library survey attracted a lot of visitors to the office who I had not met before, an unexpected side effect of the process – meeting many different residents.

The Facilities Supervisor joined us in August and has settled in extremely well. Both the Deputy Clerk and Village Orderly have requested to attend training courses in the Autumn which will be highly beneficial to the council.

As our busy time with events comes soon I would be grateful if anyone is available to assist with those.
