Clerks Report March 26

Staffing matters – Martyn and Peter will be leaving on 31st March. Due to outstanding holiday allowances Martyn has already worked his last day, Peters last day will be Friday 27th. Roger, because of the notice period he has will be employed until May 6th, although again due to outstanding leave he will be working his last day sooner.

Sarah (Deputy Clerk) has now been with us a week and the handover from Peter is going well. Jay the Facilities Supervisor will now be joining us on May 11th. I have asked Ian if he would be good enough to work a few additional hours in April, to which he has kindly agreed, while we await Jays start date.

There will be refreshments served at The Compasses this Friday from 12pm to which all 3 have been invited for us to say our thank yous.

Pavilion – I have had several meetings with Empowered and other consultants to prepare the final details for the tender. The Pavilion WG have also met to look through the latest drawings with architect Joe Salt. The tender should be ready for April Full Council but I will share documents as soon as I can (they will be lengthy!).

The Community Day has been confirmed as 4th May; volunteers will be welcome. More to follow on this evenings agenda.

Year End will be my focus during most of April.

Good news - National Highways have awarded us £10 k grant towards a new roundabout, the order has been placed and we should have it fitted by early Summer.

Dates

Full Council – 27th April
Planning Committee – 27th April
Community Day – 4th May
Annual Council – 18th May
