Clerks report May 2024

Longmeadow zipwire. The surveyor failed to account for a very large overhanging oak tree, meaning the plans the fitter had just would not work, after a site meeting it has been agreed to go on the right hand side, where it fits. Work is due to commence on June 10th.

Pavilion project – All surveys are now complete, payment will be made for those this week and then we should be in a position to apply for planning permission.

A newsletter went out on 31st May.

Conversations with the Diocese regarding the Glebelands, updates were to late for this evenings agenda. Updates will be given after the close of tonights meeting.

Fencing at the allotments has been completed and the feedback has been good.

We have been down to one handyperson due to staff leaving and sickness, hopefully this will be shortly resolved.

My upcoming leave 7/6 – 19/6 inc. and 8/7-10/7 inc.
