

## **Chairman's Report March 2026.**

Coming so soon after the Annual Parish Meeting, not a great deal to report.

At the public meeting on the 2<sup>nd</sup> March, the Planning Committee voted to oppose the proposed development of 28 houses to the rear of Jarvis Drive.

You will all have received the great news about the replacement of the roundabout on the Longmeadow Playpark. Credit must go, firstly to Cllr Teri Trickett for pointing us in the direction of possible funding from the Community Legacy Fund. Secondly, the eloquent application written by Julie resulted in the full amount of £10,000 being awarded to BHPC. This will fully cover the cost of a new roundabout. Thank you both!

Please don't forget the leaving do on Friday 27<sup>th</sup> for Peter, Roger and Sammy. This will be at The Compasses Inn at 12.00.

Rob Ruscoe.
