Library Asset Transfer

Much of this information has only been received verbally and will be clearer when a lease is offered. Therefore, we can only determine at this point if the PC wishes to proceed.

Repairs – Shropshire Council have committed to replace the roof and the windows from their funds prior to transfer. They would expect that we would not change these for 10 years or there would be a payment expected from us back to their funds.

The costs shown would also be subject to change and are a guide for decision making.
