Dear Parish and Town Councils,

**Shropshire Local Plan Examination: Further Consultation Focusing  
on Additional Material Prepared in Response to the Planning  
Inspectors Interim Findings**

On the 3rd September 2021, the draft Shropshire Local Plan was submitted for examination. Stage 1 Hearings were held in July 2022 and January 2023.

Subsequently, on 15th February 2023, the examining Inspectors issued their Interim Findings (reference number ID28) and supplemented this with further correspondence related to their Interim Findings on the 4th October 2023 (reference number ID36) and 16th January 2024 (reference number ID37).

In responding to the Interim Findings and subsequent correspondence, the Council has prepared additional documentation relating to a range of issues.

To inform the ongoing examination, the examining Inspectors have requested that Shropshire Council undertake a public consultation on the following documents:

- a. [GC25: The newly proposed draft policy on Housing Provision for Older People and those with Disabilities and Special Needs and its explanation.](#)
- b. [Updated Additional Sustainability Appraisal of the Draft Shropshire Local Plan Report.](#)
- c. [Updated Housing and Employment Topic Paper.](#)
- d. [Updated Green Belt Topic Paper.](#)

**Shropshire Council is therefore undertaking a public consultation focused on these four documents.**

The purpose of this consultation is to seek views from all parties on these four documents. It is important to note this consultation is **not** inviting comments on other aspects of the draft Shropshire Local Plan.

**This consultation will run from 25th April 2024 until 11th June 2024. Any response must be submitted and received by Shropshire Council by 5pm on Tuesday 11th June 2024.**
